Needed for Labor Day weekend: In order to keep the nursery open, we need some parents/grandparents who can help in the nursery as most of our regular workers are out of town. We still need two helpers for early service and four for 2nd service. Please sign up in the nursery. Sign up sheet is on the door into the nursery.

Attention 7-12 graders: Do you want to try Bible quiz for two weeks? We are planning a "come and see" event to let young people (7th-12th grade) and their parents find out what Bible Quiz is all about. You will see how we study, learn, and memorize God's Word, and have a great time in the process. BQ is also a great follow-up to AWANA so that Bible memorization continues in the teen years. We will meet August 3rd and 10th after 2nd service in the church fellowship hall. If you have questions, please call Rob Schoon at 582-7341.

Summer Reading Challenge Four participants in the FEFC library's Summer Reading Challenge who have recently finished the required reading log for their division are Joshua Anderson, Junior Division, 3-4; Eden Burch, Junior Division, 5-6; Faith Burch, Junior Division, 3-4, and Hannah Leggett, Junior Division, 5-6. Congratulations, Joshua, Eden, Faith, and Hannah! Thanks for participating and doing much reading!

Library news...NEW....NEW: See the back shelf top for copies of the Answers in Genesis magazine "Answers" - (see notebooks). Also, new youth reads coming in each week. Check both the Youth and Fiction sections for "The Kingdom Series," the "Sisters in Time" series and even a couple books from "Adventures in Odyssey." Keep at that Reading Challenge - you can do it!!!

If you would like to donate food for Lifelight festival performers please see the list of requested items on the old foyer bulletin board. If questions, contact Caryn Claassen. All food items will be picked up from the church at noon on Aug. 28.
