

Important Information

- ◊ When dropping off and picking up your children, a line is to form outside the nursery door with parents entering one at a time to decrease congestion and confusion.
- ◊ Children are signed into the nursery and parents are issued a vibrating pager while their child is in the nursery. We will page you if your child needs you.
- ◊ Parents are invited to observe their children through the nursery windows.
- ◊ We strive to keep the nursery a clean and healthy environment. In order to do this we ask that you keep your child with you if they are showing signs of illness. We will page you if we notice they are ill.

Volunteers

The nursery is always looking for new volunteers!

We do utilize most parents as well as others in the church to help staff the nursery.

Volunteers can be from age 14 and up for the toddler side, and 16 and above for the infant side. If you have an interest in serving in the nursery please contact:

Infant Nursery

- ♥ The Infant nursery is designed for children from birth until they are walking well.
- ♥ Cheerios are available as a snack, let us know when your child is ready.
- ♥ We do not provide formula so please bring your own premixed, labeled bottles for your infants.
- ♥ The infants will be hearing verses and Bible truths spoken to them during their stay.

Purpose Statement

Our church family sees the time that your child spends in our nursery as an important part of their early spiritual life.

Our nursery is joyfully committed to supporting parents in the great privilege of introducing their children to God the Father and our Lord Jesus Christ.

We do this by joining with parents to help their children:

- ♥ Build biblical vocabulary
 - ♥ Grow to love the community of believers
 - ♥ Develop some of their first pictures of God

Toddler Nursery

♥ The Toddler nursery is designed for children who are proficient at walking until the age of two years.

♥ Animal crackers are available as a snack. If your child has an allergy be sure and alert us and bring a snack that is safe for them.

♥ We have many age appropriate toys and Christian stories for your toddler.

♥ The toddler age child will be having a short Bible story along with hearing verses and Bible truths spoken to them during their stay.

♥ Please bring a labeled sippy or bottle, diapers and wipes and change of clothes when you come.
